

January 16, 2019

I Lyndia Thomas, Mayor of the City of Forest Hill resign my position of Mayor effective immediately. Unsubstantiated charges have been brought against me; which I have been refused sufficient time to prepare for my defense before a City Council hearing that is scheduled today at 7:00pm. Charges were sent to my residents on January 8, 2019. In the charge packet I was told a Special Council meeting was scheduled for January 16, 2019 for me to defend myself against the charges. When I asked for an extension during last night City Council meeting, I was denied by four Council members: Carlie Jones, Gerald Joubert, Clara Faulkner and Stephanie Boardingham. If I allow the City Council to vote me out I will not be able to run for 3 years or in the current election; therefore to protect myself, I resign under duress. Time resigned 2:50 p.m.

Sincerely Yours,

Lyndia Thomas
